

There was something *suspicious* *around/about* **mysterious** *in the air* that morning. Nothing was done in its *normal* **regular**

*way* **order** and *many* **several** of the *indigenous maids* **native servants** seemed missing, while those whom Mary saw

*crept* **slunk** or hurried about with *pale* **ashy** and *frightened* **scared** faces. But no one would tell her anything and

*never showed up*  
her **Avah did not come.**

### Making Inferences

It Says... (What the text says)	I Say.... (My thoughts)	So... (Inference)
