

Things I Like

by Anthony Browne

This is me and this what it I like:

painting. . .

and riding my bike,

Playing with toys, and dressing up.

Climbing trees

and kicking a ball.

Hiding

...

and acrobatics.

Building sandcastles,

and

wading in the sea.

Making a cake

and

watching TV.

Going to birthday parties, and

being with my friends.

Having a bath . . .

. . . hearing a bedtime story . . .

and dreaming.
